You are Invited to a Solidarity Gathering:

The population in New England is aging faster than almost any other place in the country. Will there be enough quality care providers as we age? **Join the conversation on Saturday February 4, 2017.** We are part of the CT Statewide Home Healthcare Justice Campaign, bringing together caregivers, nannies, housecleaners, and faith communities to discuss the importance of quality care and quality jobs.

Sponsored by: CT Statewide Home Healthcare Justice

Includes refreshments and lunch, donations welcome
